

# Be a Whale

origami whale hat instructions

1. Fold paper in half diagonally, then open.

2. Fold in the top three corners, about the length of the palm of your hand.

3. Fold both sides in, even with the top fold.

4. Fold up the bottom corners to meet the center line.

5. Fold in half, with the previous folds facing in.

6. Open and tear the end about 3". Fold again as in #5.

7. Fold the thin end straight up.

8. Open the tip and fold in opposite directions to make the tail.

Use 30" x 30" white paper squares (Butcher paper works best - one square per student and one for the teacher)
