“Celebrating the Beauty of a Resource Long Forgotten”

This promises to be an exciting day of discovery as we cruise through the Boston Harbor Islands National Park Area to Thompson Island where an array of learning experiences await us.

Using all of our senses, we will learn about the islands, their living and cultural resources and ways we can incorporate these invaluable local sites into our lesson plans.

LOCATION: UMass Boston/Fox Point Pavilion for registration at 8am, Boston Harbor Islands cruise to Thompson Island for workshops and keynote presentation -- boat departure at 9am, return to UMass at 5pm

Program fee covers boat tour and transit to and from Thompson Island, all workshops, keynote presentation and lunch.
